Laubach Way to Reading was developed specifically to help adults with little or no reading skills achieve success and become confident readers. This structured, phonics-based series works even with learners who have had negative experiences with other reading programs.

## Levels

### Level 1
**Sounds and Names of Letters**

- Phonics charts introduce key sounds and words with those sounds.

### Level 2
**Short Vowel Sounds**

- Readings feature new vocabulary words in meaningful context.

### Level 3
**Long Vowel Sounds**

- Checkup activities review vocabulary words and story comprehension.

### Level 4
**Other Vowel Sounds and Consonant Spellings**

- Levels 1 & 2 include writing practice; 3 & 4 add functional reading exercises.

- Students continue to practice their skills with homework activities.
