ILLUSTRATIONS FOR SKILL BOOK 1

LAUBACH WAY TO READING

Illustrations in this book are to be used by the teacher to show the student the meaning of vocabulary and structures introduced in conversations skills sections of the *ESL Teacher's Manual for Skill Book 1.*

For the teacher's convenience, words and sentences are given in small print to identify the pictures. These words and sentences can easily be covered if the teacher does not want the student to see them during conversation skills practice.
